 - 2. 60 ml(2 oz) magnesium citrate by mouth at 5:00 P.M. the night prior to the exam.
 - 3. Bisacodyl (Dulcolax) 4 tablets by mouth at 10:00 P.M. the night prior to the exam.
 - 4. For Barium Enema Only: Bisacodyl (Dulcolax) suppository upon waking the morning of the exam.
 - 5. Do not eat or drink anything after midnight.
- ☐ **MAMMOGRAPHY:** No powders or deodorants.
- ☐ **MYELOGRAPHY:** Nothing by mouth 2 hours before examination. Do not take phenothiazines, MAO inhibitors or tricyclic antidepressants for 48 hours prior to exam. You will receive a call from our Radiology Nurse prior to your scheduled exam.
- ☐ **PET/CT:** Our personnel will contact you prior to your examination with detailed instructions.

Please feel free to call us anytime if you have any questions or concerns. Thank you.

BREWSTER:

From Connecticut: (5 minutes west of the mall)

Take **I-84 west** to CT Exit #1 (Saw Mill Rd.) Turn right at the end of the ramp and left on to Route 6 west. Continue on Route 6 west for one mile to the intersection of Dingle Ridge Road. Our facility is on the left.

From New York:

A) Take **I-684 North** to Exit #10 (Brewster). Turn left at the end of the ramp on to Route 6 east/Route 202 east. Continue for 2 miles to the intersection of Dingle Ridge Road. Our facility is on the right.

Or

B) Take **I-84 East** to Exit #20N (Brewster-Pawling) which leads to the last section of I-684 North. Then follow directions from (A) above.

MT. KISCO:

From I-684: Exit 4 (Rte. 172). Go west for 2 miles to Rte. 117. Turn left on to Rte. 117. Go 6/10 mile to Lexington Avenue, turn left on to Lexington Avenue. We are located at 666 Lexington Avenue, the second driveway on the right. Our entrance is on the left side of the glass building.

From the Saw Mill River Parkway Southbound:

Take Exit 34 (Rte. 133) and take the first right on to Rte. 133. Continue ½ mile until the 3rd light and turn right on to S. Moger Avenue. Continue on S. Moger 1.4 miles. S. Moger becomes Lexington Avenue. Continue on Lexington Avenue as it crosses over Rte. 117, and Northeast Radiology will be the second driveway on the right. We are located at 666 Lexington Avenue. Our entrance is on the left side of the glass building.

From the Saw Mill River Parkway Northbound:

Exit 33, (Reader's Digest Rd./Roaring Brook Rd.) at traffic light. Turn right up the hill on Readers Digest Rd. At the next light, turn left on to Rte. 117. Go north for 1.5 miles to the next traffic light, turn right on to Lexington Avenue. We are located at 666 Lexington Avenue, the second driveway on the right. Our entrance is on the left side of the glass building.

From 118 Southbound:

Follow Rte. 118 South to the blinking red traffic light. Turn left on to Rte. 118, and travel 1.3 miles to the traffic light. Turn right on to Rte. 100 South. Travel 3/10 mile to the traffic light. Turn left on to Crow Hill Road. Travel 1.8 miles to the stop sign. Turn right (you are still on Crow Hill Road) and travel 1/10 mile to the stop light. Turn left on to Rte. 133 and continue 1.1 miles. Rte. 133 becomes Main Street. Stay straight another 1.4 miles. Turn left on to Lexington Avenue. We are located at 666 Lexington Avenue, the second driveway on the right. Our entrance is on the left side of the glass building.
